CREE MINERAL EXPLORATION FUND
Prospectors Assistance Program

INSTRUCTIONS FOR APPLICANTS

HOW TO OBTAIN FUNDING

Fill out the Prospectors Assistance Program Application forms and make sure that you include any documents that you might have that demonstrate previous prospecting activities.

Completing the application correctly will ensure quicker processing and will give your application a better chance of success. Your application requires the following forms:

Section 1; Personal details

This section also includes the documentation of your prospecting training or work experiences.

Section 2; Project description

a. Project location – Map - The project has to be **within Eeyou Istchee**

b. Length of proposed- the number of days you plan to spend in the field.

c. Activity – what you are planning to do (for example – sampling, mapping, ect.)

Section 3; Project budget

Refer to the attached form and guidelines for specific budget limitations. Your budget should estimate your anticipated expenses by category. CEMB grants will be up to a maximum of 20k$; daily expenses and wages for each participating prospector in advance, and the bills after transmission of the final report.

Send your completed application form to the CEMB Geologist by mail, fax or e-mail.

NOTE: If you wish to prospect in an area in which you have already worked, you will need to demonstrate that the area is still of geological interest. You are unlikely to receive repeat funding for an area where your prospecting has failed to return interesting results.
