

ANNOUNCEMENT FOR TRAINING MINING, EXPLORATION, PROSPECTING, PRECIOUS METALS AND MINERALS

ONLINE (WEBINAR) from 23 to 27 August 2021

SUBJECT: Prospecting and mineral exploration training ONLINE

The Cree Mineral Exploration Board (CMEB) is a regional Cree organization, and its mandate is to provide support to any mineral exploration interests of the Cree communities. CMEB provides an ONLINE PROSPECTION COURSE. You will have just to click and learn. CMEB gives wages of 100\$ a day to the students who are interested to the Minerals Exploration.

At the end of the course, the students will have a prospector license and also be able to:

- Read a map;
- Know the basics of mineral prospecting techniques
- Using the exploration tools such as BEEP MAT (geophysics) and tools for line cutting and sampling.
- Plot information on a map;
- Navigate with a GPS and a compass;
- Precisely locate features (waypoints) with a GPS;
- Know about the basics of Quaternary geology
- Recognize geomorphological features in the field;
- Identify geological features in the field;
- Identify rocks and minerals;
- Identify mineralization in the field;
- Know about sampling soil, outcrops and boulders
- Construct a line-cutting grid.

DURATION

The duration of the course is 1 weeks, from 10 am to 3 pm, from 23 to 27 August 2021.

LOCATION

From your home or computer room of the community. We use ZOOM. It is an application to be download on your computer. Very easy and useful.

THE CANDIDATES HAVE TO: Like being in the bush, like Minerals and Rocks, like entrepreneurship and independent

CONTACTS:

**Marlene MacKinnon@ (418) 923-3461ext.235, Cell. (418) 770-6954 Email. geomack@yahoo.com
or
Youcef Larbi @ (819) 978-0264 ext. 321 Cell. (514)792-7444, Email. larbiy@cmeb.org**
